3. Christmas Tree

KT to print new roundels with current logo. HB demonstrated doves – HB/MM and DO to make doves. (Rotary and Peace the World Over)

4. Christmas Parcels

No contact yet from Lions etc. HB happy that list is being revised. Rota to go around members for supermarket collection at later date.

5. Christmas party card and cake

AH to approach Gt Dalby school to make card to be available early (e.g. end Nov/early Dec) so members can sign **before** the evening date. This should ensure more members sign and a reduced cost (£5). KT very willing to make cake but to be raffled, not guess the weight.

6. MBC report

HB reported on meeting with MO and Keith Aubrey from MBC to try to ascertain areas of deprivation the club may be able to support. No fixed outcome yet but good early contact.

7. Funds

KT raised the question of further fundraising for ComVoc projects. Brief discussion on ducks to be continued in New Year.

Addendum

Birchwood School have contacted HB to say they are not now happy to go to Twin Lakes this year; this is following a recent accident. The School's SMT feel that parents would not be happy to support this. Sherard still going ahead. HB has spoken to members of ComVoc committee to get general agreement to contact school and offer to support an educational visit they may have planned, or would like to include in their curriculum.
