Minutes of the Previous Meeting

The minutes of the meeting held on 3rd July 2017 were approved.

Philippines Projects

The computer training proceeded well despite an interruption in electricity supply caused by an earthquake. The training was a little easier this time as the trainees were more experienced with computers. Diana to ask Alison if the teachers could speak to the club.

The District Grants committee have had to take a decision on the Global Grant allocation as they are currently over budget as other projects are progressing quickly. They are putting our aim to provide water fountains on the back burner. Alison intends to visit Tacloban in November.

Fourteen boxes of books have been despatched to the Philippines.

Fundraising

The roast lunch at Tresillian House on Sunday 6th August to support Foundation and Polio Eradication raised £407 after costs. Our thanks are due to Alison for hosting this event.

John Dehnel explained how crowd funding could be used to secure funding for particular projects and worthy causes.

Any Other Business

A request for support from Intercare, which is a charity that sends medical supplies to Africa has been received. Diana undertook to find out more about how we could help them other than by financial donations.

Date of the Next Meeting

The next meeting will be on Monday 4th September at 12 pm at Sysonby Knoll Hotel.
