## **Minutes of a Club Membership Meeting at 6 pm on Tuesday 7 February 2017**

### **Present**

David Morris, Brian Gromett, Michael Osborne

### **Apologies for Absence**

Ron Edwards

### **Minutes of the Previous Meeting**

Minutes of the meeting held on 7 November 2016 were approved.

### **Matters Arising from the Minutes**

The wording of the notice in the Melton Times about the Monday Club meeting remained unchanged despite Club Council having agreed an alternative wording.

### **Attendance**

A summary of attendance at Club meetings for the period to the end of January was shared. Nine members had attended less than 50% of Club meetings. Most of these had participated in Club activities as a "make up". One member had not yet paid the subscription for the current year.

The attendances at fourteen Club activities in the current year were shared. There was a debate regarding the level of support from members, whether fewer activities would receive more support for each, and whether the variety of activities was appropriate.

### **Satellite Group**

David reported on the meetings of the Satellite Group which now comprised eleven members. There were three or four potential members who had attended meetings. A music festival was being considered for July.

### **Recruitment of New Members**

Malcolm Britton had been inducted as a member.

A proposal for membership in respect of Phil Balding had been circulated to Club members. The Committee confirmed their approval.

A further proposal from Kriss Payne had been received and it was agreed that this should be recommended to Club Council for circulation to members.

Michael would liaise with his counterparts in Melton Mowbray Belvoir and Melton Aurora regarding joint promotion of Rotary in Melton Mowbray. Further potential member sessions would be organised.

David offered to write a proposal for the use of Associate membership for our Club.

### **Next Meeting**

The next meeting was arranged for Monday 6 March 2017 in the meeting room above the King Street Toyshop at 5.30 pm.
