

RCMM Club Service Team Notes
Monday 13th July 2020
At 6.00pm by Zoom

Present: C. Clews (Chair), G. Betts, J Shortland, D, Ward, M. Britton

Apologies: M Rowe, G. Kendall, and S Jeal, (post meeting),

<p>1. Format of meetings for next few months and keeping everyone on board SJ had managed to find speakers for July and the beginning of August. All would suggest further speakers to Steve. GB had further updated the diary which would be the basis for the calendar which appears on the website. Dates for 2021 AGM and Club Assembly had now been added. Members non-attending or participating in Zoom meetings to be invited by AB to the Summer Lunch and also possibly a coffee morning or similar on a date to be determined to retain their contact. CC to contact AB about what possible.</p>	<p>All GM>Club Council AB CC</p>
<p>2. Community Service and Environment Projects and Sponsoring a Roundabout The idea of a recipe book was not felt appropriate at present. Crocus corms to be clarified by AH with Eric Hall. Sponsoring a Roundabout not considered feasible currently. Tree Planting prosed and the Town Estate to be approached regarding this idea. Litter picking again raised as a possible project but further information required from Town Council as to specific areas of need. Also, members interest needing in this to be established.</p>	<p>JS/AH GK et al. AH MB AH/MB MB/JS</p>
