

Minutes of Club Service Committee 1st June 2015.

Apologies; None.

Present: Richard Abbott (Chair), Steve Jeal, Ian Neale, James Green, Bill Hill.

Minutes: Approved.

Matters Arising: None.

Diary and Lunchtime meetings:

Steve stated that he was finding it increasingly difficult to find original speakers for meetings. Discussion took place to address the issues. Committee members suggested possible speakers and these will be contacted. Other ideas included inviting committees to feed back to the club on some topics of their activity. Another suggestion was that at business meetings the committees should be grouped together in order to pool feedback. A further comment was that more senior members of the club might be invited to address the club on their past employment experiences.

Club Calendar:

Handover/ Wine tasting 29/6 – It was agreed that a cost of £15 per head would cover the costs of both the meal and the wine.

Picnic at Belvoir Castle 14/6 – Entry will be free but £5 per head will be requested towards sponsorship for the carriage riding event.

Rocks by Rail - Event still to be finalised.

Vintage vehicle event 6/9 – A split of proceeds at 60% for local and rotary charities and 40% for the Nottingham Hospital Helipad was agreed. Permission has been granted for a bucket collection at the event. Fliers are now available.

The Harpenden advisers are willing to address the club on their experiences of running their event but, as they cannot attend on Mondays, we will consider having our meeting on a Wednesday if they can come - ? 8/7.

September Ball 19/9. – Fliers available. There is a need to sell as many tickets as possible by the end of July.

President's Name Boards. As these are large and unwieldy Bill suggested re printing them on a smaller board. He will explore costs.

Wishing well. Not yet visited. Bill and Richard will find an appropriate date.

Date of Next Meeting 6/7 11.30 at S.K.
