Matters Arising from Previous Meeting

Nothing which is not on the agenda for this meeting.

The minutes of the previous meeting were agreed as an accurate record of the matters discussed and agreed.

Satellite Club

The satellite club is encountering problems due to confusion between the roles of club membership and club projects. Meetings have been suspended until these matters can be resolved. Mark Frisby, who is the main influence in the satellite club, spoke eloquently about "me and my learning" at the last lunch time club meeting. Further discussion and meetings have followed and it is not thought that the issues cannot be settled. We have 4 signed up membership proposal forms. The next satellite meeting is planned for 24th March at 6.15 pm at Amici's.

New Members

Whilst there are several potential members 'in the wings' there is nobody at this stage ready to take to the next stage.

At what point do we formally recommend the four members of the Satellite Club for full membership?

Approach to parents of members of Interact and other young persons involved in Rotary projects

No work has been done on this because of time constraints on the members of the committee.

Alumni

No work has been done on this because of time constraints on the members of the committee.

Mentoring

The last three members inducted into the club are being mentored by Jim Green, Adrienne Holland and Richard Abbott.

We need a report from each of them on how this is progressing and whether it has thrown up any lessons for us to learn.

Club Website on Membership

DMO is working on an updated revision to this.

Attendance at Club Meetings & Events

Whilst acknowledging that we would like to see some of our members more often at club lunchtime meetings, there is no question that by their service to Rotary through projects they qualify for continued membership.

Atul is struggling with matrimonial problems and Heena with her health. A full update of this is needed.

Any Other Business

Who is representing membership at the forthcoming District Assembly?

DM confirmed that due to his AG commitments next year, he will not be chairing the Membership Committee.

The Interact Presentation evening is confirmed for 26th June. All charities are confirmed except Rutland Conquerors which DM will follow up.

Date and Time of Next Meeting

13th April at 2.15 pm at Sysonby Knoll Hotel
