3. One off awards

None discussed

4. Membership

Short discussion one possible target identified

5. Club Improvement

Richard explained that this would be on all future agendas to give the opportunity for members to raise points where they feel we as a club could improve. After some thought the only issue raised was related to communication where members leave or go on long term LOA. If members miss the meeting where this is raised it could cause confusion. President Pams blog has gone some way to improving info distribution where members miss a meeting.

6. AOB

Kathy raised the issue of Voluntary Action Melton potentially could loose it's presence in Melton. With Voluntary services being "controlled" from Leicester. It was suggested that a letter be sent from Rotary as a member organisation stating our objection to this. Richard to raise at Club Council

A request has been received from King Edward VII looking for Mentors to help pupils development, it was thought that an effective way of communicating to our members would be to invite a representative of the school to one of our meetings, Richard to raise at Council
