Projects update

BIRCHWOOD DAY AT TWINLAKES A highly successful day.

Six Rotarians welcomed the children. Two Rotarians were on hand all day for anyone to contact with any queries etc. The arrangement with Twinlakes worked very well and the school were very happy. The children had longer at the venue and there were no queues for the rides.

The Twinlakes staff were excellent.

The Cost was £2200 for Twinlakes and £400 for the buses.

Details of the Day, including a picture were published in the Melton Times

The supply of teeshirts and hats for next year have been discussed and as there were only a few of the children that wore them they may not be supplied next year.
