Minutes of the Previous Meeting

The minutes of the meeting held on 3 August were agreed.

Vocational matters would be dealt with by an autonomous Vocational Committee.

Attendance

There were five members who had attended no meetings yet in the current Rotary year. The situations of these members was discussed. An effective means of communication and encouragement to participate in the Club's activities was required.

Recruitment of New Members

David's list of potential members had not yet been augmented by any suggestions from existing members.

Michael had compiled a list of nine people who were active in community related work who may be sympathetic to Rotary. They might be potential members of a satellite club. Because the Aurora club were planning a new members event at the end of November it was agreed that we should aim for something at the end of January.

A former Rotarian had introduced himself at the classic car show. He had accepted an invitation to the lunch meeting on 7 September.

Satellite Club

David confirmed that the Club was currently "on hold".

Friends of Rotary

The communication with our "Friends" was discussed.

Almoner's Report

Eight invitations had been sent for the widows to come together for tea on 27 September. This had so far produced only one response.

Next Meeting

The next meeting would take place on 5 October 2015 at Sysonby Knoll Hotel commencing at 2.15 pm.
