Philippines Projects

The paperwork to sign off the District Grant now has to be completed. The teachers are coming to talk to us during their half term.

Financial Statement

The committee has at its disposal for unspecified International projects the sum of £541 41. It was agreed not to make any recommendations for spending this balance at the present time.

Shelterbox

The Shelterbox that we hold is now out of date and incomplete. It was agreed to dispose of it through Ebay or the local scouts, with any proceeds going to the Shelterbox charity.

Diana will speak with the new Interact club members to see if they would raise some money for the Classroom box.

Fundraising

Diana has announced to the Club that members with unwanted foreign currency could give it to her to be passed on to the Polio Eradication Fund.

John Dehnel explained that RIBI are working with Global Giving on the concept of raising money through crowd funding. More detail will follow.

Any Other Business

There may be a Youth Exchange student coming to our district from district 3860 in the Philippine Islands.
