Issue	Discussion	Action
Dates and times of meetings	It was decided that all members present were happy with the first Wednesday in the month, 6 pm at 10 Forest Close	
Macmillan Nurses	It is essential that we find out what the Macmillan fundraising committee want from us, preferably in terms of help and support from members of the club. It is less likely that we will be able to offer financial help.	<i>Adrienne to contact Di Orson, the Chair of the local group.</i>
Fundraising – Christmas Cards	It is the suggestion from the ComVoc committee that all members donate an amount (perhaps £10) per person in lieu of sending “blanket” Christmas cards to every member. This would not only raise funds but would also be environmentally advantageous, saving paper etc. It would not preclude individuals sending cards to their particular friends within the club.	<i>John to take the lead</i>
Fundraising – Car treasure Hunt	This is a popular activity that can raise quite a lot of funds and also supports fellowship as it involves families and fun! It would need to be organised when the weather is slightly more reliable, possibly the Spring.	<i>Duncan to investigate this further</i>
Fundraising – Dinner parties	As Adrienne feels that her skills are somewhat limited she suggested holding dinner parties for members and their partners/spouses. However, she is very aware that there are times when this is a Ladies in Rotary activity and is extremely concerned that it should not happen if it infringes their plans.	<i>Katherine will ask Ladies in Rotary about this, Adrienne then to act on the information</i>

Christmas Parcels	This will take place on Sat 13 th , Sun 14 th and Mon 15 th December. We will need lots of club members to help us out.	<i>Duncan</i>
Stroke Awareness	25 th April	
KidsOut	June 10th	<i>Adrienne</i>
Bulbs	John will take the lead on this	<i>John to negotiate with the local groups for the blind</i>
Cartridges	The committee is interested in this form of fundraising and would like Richard and Ron to come along to the meeting on 1 st October to give us further information	<i>Adrienne to invite Richard and Ron</i>
Clockwise	This is an ongoing commitment. John is closely involved and will keep the committee and the club fully informed. Angela will meet with john to produce a website report.	<i>John and Angela</i>
