

Whole Club Meeting

Monday 13 April 2020

1. Present

Pres Adrienne, Graham, Alison, Malcolm, John D, Jim, Bill, John H, David M, Margaret M, Ian, John R, Janet, Kate, David W.

2. Laptops

It was agreed in principle to move this project forward based on up to 40 laptops. However, the money that seemed to be available from District 1070 and Rotary at all levels was disappointing and insufficient. It was agreed to ask David Morris, John Dehnel, Kate Theobald and Alison Blythe to identify, as a matter of urgency, the greatest possible amount of money that can be made available. Once the resource available has been identified AH GB KT and AB will move the project forward.
