

Community and Vocational Report April 2017

Unfortunately the 'planned' committee meeting did not take place last week, but the following arrangements are in hand:

Duck Selling

Taking place at Twin Lakes between 10 April and 23 April. Members can choose to do 1, 2 or 3 hour stints. Usually 2 members on at any time. New arrangements circulated to all volunteers. Thanks to Kate for arranging float and for printing stickers. Thanks to Graham for printing duck number sheets. Thanks to Osbornes for doing the morning handover of monies and folders etc. And special thanks to all volunteers.

Also duck sheets distributed to members unable to sell at Twin Lakes. Stall at market relaunch event on 15 April to sell duck numbers and give out 'morsbags' to promote Rotary to general public. Thanks to LiR who helped to make some bags.

Phil Bendall assures me the boat is available on the lake for 23 April...

Stroke Awareness

22 April town centre event near to Bell Centre. Most arrangements carried out by Melton Belvoir club – thanks to Keith Yates and team. Rota arranged – thanks to volunteers.
