

RCMM Club Service Team Notes
Monday 9th December at 6.00pm at Tresillian House

Present: Malcolm (Chair), Adrienne, Graham, Bob, Alison, David, Steve

Action

Apologies: Mike, Janet, Gill

1. Santa Fun Run (Sunday 8th December)

The day had gone well and a full debrief would be held on Tuesday 7th January 2020. One runner had fallen and sustained injury but since then Alison and Adrienne had spoken to her and she praised the help she received and was looking forward to the following year's race.

Various suggestions were put forward for consideration that:

- all marshals should be clearly identifiable with hi-vis vests or gilets and, if possible, Rotarians
- once marshals were in position, mobile phones should be tested for signals
- if permission could be received, an ATV would speed up the process for transporting materials to where they were needed urgently
- a clearer procedure should be considered for contacting victims after accidents

2. Christmas Party (Monday 16th December)

43 were booked in at present.

3. Carol Service at Brooksby (Wed 18th December at 7.00pm)

The Capella choir was coming and several members had promised to bring refreshments.

4. Burns Night Supper (Saturday 18th January)

A board had been circulated that day. 60 people were required to make it viable and we are just short of that number at present.

5. Charter (Monday 9th March)

The menu had been selected and Adrienne and Malcolm would meet early in the new year to finalise other arrangements. Steve and David undertook to arrange the bar again. The operation of the audio-visual system needed checking to avoid this year's problems.

Check if the church has glasses.
