Susan Herlihy	SH												

MINUTE	ACTION
<p><u>Apologies</u></p> <p>As above</p>	
<p><u>Matters Arising</u></p> <p>It was considered that any matters arising could be addressed within the following relevant sections.</p>	
<p><u>Young Chef</u></p> <p>Two competitions had already taken place and the third was to take place on 9/11/16. Those already held had gone well and the standard was excellent. Support from the judges, Luke Holland (Chef at Stapleford Park), Jennie Foreman and Jane Abbott was excellent.</p>	EH
<p><u>Youth Speaks</u></p> <p>To be held on 23/11/16 at 7.30p.p.m. at Quorn Lodge. All preparations are in hand (reminder re certificates). JohnH reported that Catmose and John Ferneley will participate, but had obtained no response from Long Field.</p>	AL John H
<p><u>Young Musician</u></p> <p>Sheila Aston is no longer available to assist due to personal circumstances. Maggie Saunders and Peter Field will lead the event with support from other committee members as and when required.</p>	MS, SA, PH
<p><u>Young Writer</u></p> <p>Maggie Saunders reported that she has already made contact with the Primary Schools. Mike Rowe is to contact the Secondary Schools at the beginning of the New Year. The theme this year is "Reflections".</p>	MS MR

Rotary Joint Youth Committee

Meeting minutes for 8<sup>th</sup> November 2016

<p><u>Young Photographer</u></p> <p>Eric Sylt's health prevents him to running the competition this year. EH to ask Sue Herlihey</p>	<p>EH</p>
<p><u>Young Designer</u></p> <p>Mic Hirst to contact MV16. Belvoir High School will also to take part. Post meeting note: Competition information and poster from De Montfort received by EH forwarded to David Wilson and MH.</p>	<p>MH, GH,EH</p>
<p><u>Rotary Stars</u></p> <p>Nothing to report at this stage except that more books will need to be bought as prizes. Likely cost £40-£50. DH prepared to get them if the committee is happy for him to do so. The likely expenditure was agreed. It was recognised that selecting appropriate books was a challenge, particularly as popular ones will probably already have been read. It was suggested that close liaison with the schools should be helpful in this regard.</p>	<p>PH DH</p>
<p><u>RYLA</u></p> <p>Young RYLA is now organised within the District but the committee felt unable to identify candidates within the required time scale. AL confirmed Belvoir had included RYLA in their programme for the year. It was agreed that finding a deserving candidate would be essential when considering anyone that had expressed an interest. MS reminded everyone that previous participants had gained significant benefits from the scheme and were applying the skills they learnt in helping others.</p>	<p>MS JG</p>
<p><u>Warning Zone</u></p> <p>Both clubs have been asked to continue support for Warning Zone at the same level as last year. EH felt support of both RYLA and Warning Zone every year placed a heavy demand on the clubs and considered that annual support should alternate between the two activities. Some members thought intermittent funding may be very difficult for the organisations to accommodate.</p>	
<p><u>Interact</u></p> <p>JH has been in contact with John Ferneley, and two staff members are giving it consideration.</p>	<p>DO, JH</p>
<p><u>A.O.B</u></p> <p>The National Holocaust Centre &amp; Museum at Newark, Nottingham: No school has yet taken up our offer to help fund a visit.</p> <p>Young Artist: In the absence of any committee member offering to lead the event, EH said he would liaise with MH to discover what interest existed within schools.</p> <p>MV16: A letter has been received stating that, rather than subject prizes, prizes this year would be for a wider approach, encompassing academic achievement, personal commitment and wider contribution to school life. Our continuing support was sought for this new approach. Committee were generally in favour. EH to let college know. Post meeting note – EH issued email 11/11/2016 inviting options for continuing our support. It was understood the JS had offered to visit MV16 when permitted by his current incapacity.</p>
