Other Events. Ben Abbott kindly attended to outline his plans;

- 1) Fundraising Golf Tournament. Initially planned for October now planned to be rescheduled to May2015. Ben wishes to hand this to the committee but will continue to advise. Richard will seek assistance in planning and organising the event from other golfers in the club. Anxieties were expressed as to how well supported such an event would be given the number of competing golf charity events.
- 2) Burns Supper. Planned for January 2015. Again Ben wishes to hand further running of this to the committee. Scheduled to take place at Les Rosbifs restaurant ,price £27 pp. The piper would cost £150. Possible dates were discussed and

Ben will confirm with the restaurant. This will be a social rather than a fundraising event.

Fund Raising. Ron was not present. Julia raised the issue of a possible vintage car rally in Melton. Considerable discussion ensued regarding the timing and format of such an event. Overall the committee were enthusiastic and offers of help were forthcoming. Julia has been requested to discuss this further with Ron and the formation of a project group is planned to take this further.

Communications. Julia has proposed ideas to improve the transmission of Ideas and data. These include;

- 1) Telephone cascade within the club.
- 2) Provision of posters/flyers to publicise club activity.
